The Western Pennsylvania Chiefs' of Police Association, representing 21 counties in Western Pennsylvania, is hosting its 21st annual golf outing on Friday, August 1, 2025 at the Pittsburgh North Golf Club in Gibsonia, Pennsylvania. We sincerely appreciate your support of the Association and participation in our event.

The money that is raised from the golf outing is used to supplement the association and its budget, offering us the ability to provide in-service law enforcement training for our members and the opportunity to promote legislation that furthers the interests of law enforcement.

The day of golf, food, beverage and fellowship is a fun experience for everyone involved. The members of the Western Pennsylvania Chiefs' of Police Association hope to see you at our event and thank you for your continued support of the Association's efforts to improve law enforcement through education.
